SECTION I- Introduction and Invitation for Bids

1. Background and Introduction

1.1. Tamil Nadu Green Energy Corporation Limited (hereinafter called "TNGECL")has been formed under the Companies Act 2013 for restructuring of Tamil Nadu Generation and Distribution Corporation Limited (TANGEDCO) into separate Generation and Distribution Companies. TNGECL has been formed by integrating Renewable Energy Wing of TANGEDCO and merger of Tamil Nadu Energy Development Agency (TEDA) with the new company. Tamil Nadu Green Energy Corporation Limited has been formed based on G.O.(Ms) No.7 dt 24.01.2024 of the Energy Department /Govt. of Tamil Nadu. The key functions of the Company include promotion of renewable energy, grid integration and energy storage i.e., integrate renewable energy into the existing power grid and implement energy storage solutions like batteries to ensure stable and consistent power supply.

1.2. With various global developments in technology and manufacturing, Renewable Energy (RE) has become the most affordable and cheapest source for meeting the energy requirements. Initial capacities have been successfully integrated to the grids so far, but with increasing penetration of RE in the energy mix, further capacity addition is expected to face issues due to variable nature and supply-demand mismatch.

The Hon'ble Electricity Minister and Prohibition & Excise, Govt of Tamil Nadu has announced in the Assembly on 07.09.2021 as follows,

" Purchase of high cost power from Private Power produces shall be reduced by establishing 20,000 MW Solar PV plants and 10,000 MW Battery Energy Storage Systems in the next 10 years and uninterrupted power supply shall be extended to the public. In the first phase, action would be initiated to establish Solar PV plants for a capacity of 4,000MW and Battery Energy Storage Systems (BESS) to a capacity of 2,000MW based on the Technical and Commercial feasibility".

Further,Hon'ble Finance Minister, Govt of Tamil Nadu during the Budget Speech has announced in the Assembly that

" In order to provide clean renewable energy throughout the day, even beyond solar hours, the Government will take steps to develop a 4,000 MWhr Battery Energy Storage System in 2025-26."

1.3. TNGECL wishes to invite proposals for Setting up of Grid Connected 15 MW Solar PV Power Project with 15 MW/45 MWh Battery Energy Storage System (BESS) at Thiruvarur District in Tamil Nadu. TNGECL intends to carry out Tariff Based Competitive Bidding (TBCB) Process (conducted through Tamil Nadu Government E-Procurement Portal (https://tntenders.gov.in/nicgep/app). Tamil Nadu Green Energy Corporation Limited, acting as an intermediate procurer, shall enter into a Power Purchase Agreement (PPA) with the successful Bidder selected based on this RfS for a period of 25 years based on the terms, conditions and provisions of the RfS and PPA.

1.4. TNGECL shall take the role of Tender process management and Project management with the following functions:

i. Preparation of bid documents
ii. Floating of tender
iii. Collection of Bid Security
iv. Evaluation of Techno-commercial bids, Finalisation of tender by obtaining approval from the competent authority including the approval of Hon'ble TN Electricity Regulatory Commission
v. Issue of LOA to the Successful Bidder
vi. Sign PPA with the Developer
vii. Provide land to the Developer on lease
viii. Acting as intermediary, procure power from the Developer and shall make timely payment as per the PPA tariff
ix. Supervision of execution of the Project i.e., monitoring whether the project are implemented as per the timelines and standards/guidelines.
x. Certify commissioning of the Project
xi. Monitoring of the performance of the Project

Role of TNPDCL

i) Signing of Power Supply Agreement (PSA) with TNGECL
ii) End Procurer of Power
iii) Pay to TNGECL as per PSA

1.5. Guidelines for Implementation of the RfS

This RfS document has been prepared based on the Guidelines "for Tariff Based Competitive Bidding Process for Procurement of Firm and Dispatchable Power from Grid Connected Renewable Energy Power Projects with Energy Storage Systems dated 9th June 2023 and Bid structure approved by TNIDB. TNGECL has issued this RfS in the capacity of "Intermediatory Procurer" as defined in the aforementioned Guidelines.

2. Invitation for Bids

2.1. TNGECL has adopted Open tender under two-part bidding procedure with E-Reverse Auction for selection of Bidders for award of the Project and invites Bids from eligible parties, for the Project electronically from TN tender's website https://tntenders.gov.in/nicgep/app in accordance with the terms of this RfS. Eligibility and qualification of the Bidder will be first examined based on the details submitted. Bidding will be conducted through the competitive bidding procedures as per the provisions of this RfS. The respective rights of TNGECL and the Bidder/Developer shall be governed by the RfS Document.

2.2. Interested bidders have to necessarily register themselves on the TNTENDERS portal to participate in the bidding under this invitation for bids. It shall be the sole responsibility of the interested bidders to get themselves registered at the aforesaid portal for which they are required to contact NIC Help Desk Number to complete the

registration formalities. All required documents and formalities for registering on the TNTENDERS portal are available on the website.

2.3. For proper uploading of the bids on the TNTENDERS portal, it shall be the sole responsibility of the bidders to apprise themselves adequately regarding all the relevant procedures and provisions as detailed in the portal as well as by contacting NIC officials, as and when required, for which contact details are also mentioned on the Bid Information Sheet. TNGECL in no case shall be responsible for any issues related to timely or properly uploading/ submission of the bid in accordance with the relevant provisions of the Bidding Documents.

2.4. Bidders should submit their bid proposal complete in all aspect on or before last date and time of Bid Submission as mentioned on TN tender's website https://tntenders.gov.in/nicgep/app and as indicated in the Bid Information Sheet.

2.5. Bidder shall submit bid proposal along with Bid Security complete in all respect as per the Bid Information Sheet. Bid proposals received without Bid Security will be summarily rejected. **In the event of any date indicated being declared a holiday, the next working day shall become operative for the respective purpose mentioned herein.**

RfS documents which include Eligibility Criteria, Technical Specifications, various Conditions of Contract, Formats etc. can be downloaded from https://tntenders.gov.in/nicgep/app. It is mandatory to download official copy of the RfS Document from the above portal only, to participate in the Tender. Any amendment(s)/ corrigendum(s)/ clarification(s) with respect to this RfS shall be uploaded on https://tntenders.gov.in/nicgep/appwebsite. The Bidder should regularly check for any Amendment(s)/ Corrigendum(s)/ Clarification(s) on the above-mentioned website.

2.6. TNGECL reserves the right to cancel/ withdraw/ defer this invitation for bids without assigning any reason and shall bear no liability whatsoever consequent upon such a decision.

2.7. TNGECL shall conduct e-reverse auction (e-RA) as per provisions of RfS documents.

2.8. TNGECL has issued this RfS in the capacity of "Implementing Agency" as defined in the RfS. TNGECL may develop a suitable monitoring mechanism, to analyze the performance of the Project and carry out random checks to verify compliance of quality standards.

2.9. INTERPRETATIONS

2.9.1. Words comprising the singular shall include the plural & vice versa.

2.9.2. An applicable law shall be construed as reference to such applicable law including its amendments or re-enactments from time to time.

2.9.3. A time of day shall save as otherwise provided in any agreement or document be construed as a reference to Indian Standard Time.

2.9.4. Different parts of this contract are to be taken as mutually explanatory and supplementary to each other and if there is any differentiation between or

among the parts of this contract, they shall be interpreted in a harmonious manner so as to give effect to each part.

2.9.5. The table of contents and any headings or subheadings in the contract has been inserted for case of reference only & shall not affect the interpretation of this agreement.

2.10. Schedules for Receipt and Opening of Bid:

A	Uploading of tender specification by TNGECL	Refer BID INFORMATION SHEET
B	Queries to be sent from	Refer BID INFORMATION SHEET
C	Pre-Bid Meeting	Refer BID INFORMATION SHEET
D	Reply to the queries to be uploaded from	Refer BID INFORMATION SHEET
E	Last date and time for submission of bids	Refer BID INFORMATION SHEET
F	Date and time for opening of Techno-Commercial Bids	Refer BID INFORMATION SHEET

SECTION II- Special Conditions of Contract

3. Scope of Work

3.1. Under this RfS, the Developer shall be required to set up Grid-Connected Solar PV Power Project with BESS at the location mentioned in Clause 5, with the primary objective of providing solar power and making energy storage facility available for charging/discharging of BESS on an "on demand basis".

3.2. The Project shall be set up in Build Own Operate (B-O-O) Mode The scope of work of the Developer, inter alia, includes all design & engineering, procurement & supply of equipment and materials, testing at manufacturers works, multi – level inspections, packing and forwarding, supply, receipt, unloading and storage at site, associated civil works, services, permits, licenses, installation and incidentals, insurance at all stages, erection, testing, commissioning, obtaining No Objection Certificate (NOC) for grid connectivity (if required) and synchronization with the Grid for Solar PV Power Project with BESS Arrangement (single cycle 3-hour discharge) location.

3.3. The Developer shall be responsible for Operation and Maintenance of the Project for the concession period of 25 years maintaining the performance parameters as per relevant clauses of this RfS and PPA. The Developer shall be responsible for all the required activities for successful O&M during the entire term of PPA.

3.4. The Developer shall be responsible for construction of evacuation infrastructure as per Clause 6 of this RfS.

3.5. The transmission of power up to, and including at the point(s) of interconnection where metering is done for energy accounting, shall be the responsibility of the Developer at its own cost. The maintenance of transmission system up to and including at the Interconnection Point shall be responsibility of the Developer, to be undertaken entirely at its risk and cost.

3.6. Obtaining Grid Connectivity of the Project under this tender would be the responsibility of the Bidder in accordance with the applicable guidelines. TNGECL could facilitate connectivity and necessary approvals with TNPDCL/TANTRANSCO; however, the entire responsibility lies with the Developer only.

3.7. The Developer shall take all necessary Permits, Approvals and Licenses, Insurance etc., provide training and such other items and services required to complete the scope of work mentioned above.

3.8. The Developer shall abide by all Statutory Laws, By Laws, Labour Laws, Factory laws, etc.

3.9. The Developer shall be responsible for the de-installation of the Project, including the removal of all equipment, structures, and materials associated with the Project (excluding the evacuation infrastructure developed by the Developer and any infrastructure developed by STU). The Developer shall ensure that the land is cleared and restored to its original condition, or as otherwise agreed upon, and handed over to TNGECL within180 days following the termination or expiration of this Agreement.

4. Project Site

4.1. The Project shall be installed at the following location in Tamil Nadu.

S. No	Name of the Village	Name of the District	Land Area (in acres)
1	Korgai	Thiruvarur	49.95

4.2. TNGECL shall provide the land to the Developer at the Project Site on lease at Re.1/- per Project Site per year.

4.3. The details of the project sites have been enclosed as Annexure-I. Prospective Bidders may visit the site and assess the feasibility of the Project.

5. Project Capacity

5.1. The Capacity of 15MW/ 45MWh offered to the Selected Bidder under this RfS is as follow:

S.No.	Name of the District	Name of the Village	Solar PV Power Project Capacity (MW)	BESS Capacity (MW/MWh)
1	Thiruvarur	Korgai	15 MW	15 MW / 45 MWh

6. Evacuation of Power

6.1. The project shall be interconnected to the TANTRANSCO sub-stations(designated Interconnection Points) specified in Annexure II ensuring minimum transmission loss. Necessary applications for grant of connectivity will be required to be made by the Developer to TANTRANSCO.

6.2. The entire cost of transmission such as bay cost and other related infrastructure cost including cost of construction of line, wheeling charges, SLDC/Scheduling charges, SOC, MOC, maintenance, losses etc. and any other charges from the Project up to and including at the Interconnection Point will be borne by the Developer. The Developer shall also maintain the transmission system for the entire term of PPA at its own cost and risk.

6.3. Metering arrangement of the Project shall have to be adhered to in line with relevant clause of the PPA.

6.4. Important Note:

(i) Bidders must make note of the information pertaining to space of bay availability at the substation.

(ii) Tentative coordinates of the Interconnection point shall be provided by TANTRANSCO.

6.5. The Developer shall, at its sole risk and expense, obtain all grid-connection and metering approvals and carry out transmission up to the metering/Interconnection Point.

6.6. The Application Software of the Energy Management System (EMS) of the BESS shall be developed indigenously within India"

6.7. The BESS to be installed is of requisite quality as per best industry practices and refurbished battery cells are not used in the project.

6.8. All provisions of Make in India (MII) orders and orders related to Cyber Security issued by the government must be complied with, in all the activities involved in the project(s) from start to completion.

6.9. The Solar modules used in the Project(s) shall be sourced only from the models and manufacturers under the "Approved List of Models and Manufacturers"(ALMM) as published by MNRE from time to time and valid as on the date of invoicing of such modules.

6.10. The Developer shall establish an online arrangement for regular submission of metering data throughout the duration of this Agreement to SLDC, TANTRANSCO, TNPDCL, and the concerned Ministry or agency, in accordance with applicable regulations and directions. Real-time data from the BESS, including metering and breaker status, shall be communicated to SCADA and SLDC through a GPRS modem, with both metering and SCADA data refreshed at an interval of every seconds. Further, it is observed that the BESS units are not static power plants, and they are extremely fast-acting assets that must respond to grid needs in less than a second, which requires robust and seamless real-time communication from the BESS to the SLDC/Sub-LDC/DISCOM SCADA Control Centre for energy accounting and real-time grid management. Seamless communication of data is the responsibility of Developer. If such real time communication facility and data are not made available by the Developer, the SLDC after 15 days clear notice may direct the Distribution Licensee to exclude the Developer's output by 10% from Dispatch and deviation settlement processes and if such Developer has not made real time communication facility even after the lapse of 30 days from the date of receipt of the notice issued by the SLDC, the entire output of the Developer shall be excluded from dispatch and deviation settlement processes. If the Developer has not made real time communication facility even after the lapse of 45 days from the date of receipt of the notice issued by the SLDC, further action will be taken by the SLDC as per the provisions of CEA Regulations duly informing to the Commission.

6.11. The Developer shall ensure that the Battery Energy Storage System (BESS) installed under this Project is designed, configured, and operated to provide the following mandatory grid support services in accordance with the applicable CEA and SLDC guidelines and directions: i) Primary Frequency Response, ii) Secondary Frequency Response, iii) Tertiary Frequency Response, iv) Synthetic Inertia, v) Black Start Capability, vi) Demonstration and Compliance.

6.12. The Developer shall guarantee AC to AC roundtrip efficiency (RTE) of > 85% for the system on monthly basis up to the metering point in line with the SECI tenders. The Developer shall avail separate service connection from the Distribution Licensee to

meet their additional requirement of power for auxiliary consumption and for essential non-storage components of the BESS facilities.

7. Performance Criteria and Damages

7.1. **Capacity Utilization Factor (CUF):** The Developer shall maintain an annual CUF of 21% for the Solar PV Power Project measured at the meter at the output of Solar PV plant to measure the total solar generation. It shall be the responsibility of the Developer, entirely at its cost and expense to install such number of Solar panels and associated equipment as may be necessary to achieve the required CUF, and for this purpose the Developer shall make its own study and investigation of the GHI and other factors prevalent in the area which have implication on the quantum of generation. The Developer shall maintain generation so as to achieve annual CUF till the end of the concession period of 25 years.

In the event that, for any Operational Year, the Developer fails to achieve a minimum Annual Capacity Utilization Factor (CUF) of 21%, the Developer shall be liable to pay damages, which shall be calculated in accordance with the methodology set forth herein.

$$\boldsymbol{LDt = 1.5 \times Tariff \times \{(21\% - CUFat) \times CCsolar \times 24 \times 365\}}$$

where;

- **LDt** refers to the Damages for the Year t (t ranges from 1st to 25th Year)
- Tariff refers to the Applicable Tariff as per PPA
- **CUFat** refers to Actual Capacity Utilization Factor for the Year t
- **CCsolar** refers to the Contracted Capacity for Solar in kW (15MW i.e. 15,000kW)

7.2. **Minimum Monthly Supply of Energy during Peak Hours-** Subsequent to commissioning of the Project, for any Month of the Operational Year, the Developer shall assure the supply of peak power calculated as below for each month:
Assured Peak Power Supply for the month i= 95% × No. of days in the month i × 45MWh

In the event that, for any month within a Operational Year, the Developer fails to deliver the 'Minimum Peak Power Supply' as required, the Developer shall be liable to pay damages, which shall be calculated in accordance with the methodology set forth herein.

$$LD(m) = 1.5 \times Tariff \times (Assured\ Peak\ Power\ Supply(m) - Actual\ Peak\ Power\ Supply(m)$$

7.3. **Round Trip Efficiency (RtE):**The BESS Capacity in the Project shall maintain AC to AC roundtrip efficiency of 85% for the system on a monthly basis.

In the event that, for any month within a Operational Year, the Developer fails to achieve a minimum Round-trip Efficiency (RtE) of 85% the Developer shall be liable to pay damages, which shall be calculated in accordance with the methodology set forth herein.

$$LD(m) = 1.5 \times Tariff \times \left\{Energy\ Supplied\ during\ peak\ to\ Grid \times \left(\frac{1}{CEat} - \frac{1}{85\%}\right)\right\}$$

where;

- **LD(m)**refers to the Damages for the month m
- Tariff refers to the PPA Tariff
- Energy supplied during peak shall be the actual energy supplied during peak or minimum peak power whichever is lower.
- **CEat** refers to the Actual Cycle Efficiency
- Round Trip Efficiency shall be as per the DSM/UI Reports published by the SLDC or measurement at the Main Interface Meter at the Point of Interconnection

7.4. SLDC shall provide the directions to the Developer for charging and discharging of the BESS as detailed in the PPA. SLDC shall also intimate the Developer about the "Operational Window" i.e. the expected hours/duration of BESS availability on each day during the term of the Contract. The relevant clauses in the PPA shall be applicable in case of shortfall in energy supply and excess energy generated.

7.5. Penalties and liquidated damages shall be applicable as per relevant provisions in the PPA.

8. Commissioning of the Project

8.1. The Commissioning of the Project shall be carried out by the Developer in line with the procedure as per PPA.

8.2. The Scheduled Commissioning of Supply Date(SCSD), i.e. the deadline for commissioning the full Project capacity, shall be the date as on 12 months from the Effective Date of PPA.

8.3. The maximum time period allowed for commissioning of the full Project Capacity with applicable liquidated damages, shall be limited to the date as on 3 months from the SCSD or the extended SCSD (if applicable).

8.4. In case of delay in commissioning of the Project beyond the SCSD until the date as per Clause 8.3 above, as part of the liquidated damages, the total PBG amount for the Project shall be encashed on per-day-basis.

8.5. In case Commissioning of the Project is delayed beyond the date as per Clause 8.3 above, the PPA will stand terminated and the entire PBG shall be encashed.

8.6. Necessary applications for grant of connectivity will be required to be made by the Developer to TANTRANSCO, which shall be facilitated by TNGECL. All the requisite costs associated with obtaining connectivity such as bay cost and other related infrastructure cost shall be borne by the Developer.

8.7. The maintenance of Transmission system upto the interconnection point shall be the responsibility of the Developer and to be undertaken entirely at its cost and expense. The entire cost of construction of infrastructure from the Project upto and including at the interconnection Point, including but not limited to the transmission line, maintenance cost & all cost up to the delivery point shall be borne by the Developer

8.8. The provision of temporary power supply/ water required for construction activities and any maintenance shall be under the scope of the Developer.

SECTION III- Standard Conditions of Contract

9. Obtaining the RFS

9.1. Interested bidders have to download the official copy of RfS & other documents from Tamil Nadu tender portal https://tntenders.gov.in/nicgep/app only. Uploading of the relevant documents shall be only through https://tntenders.gov.in/nicgep/app portal only and price bid should be submitted through online mode only through the above portal. Physical form of price bid will lead to summary rejection of the bid and upload of price bid along with any other documents will also lead to summary rejection.

10. Bid Security

10.1. The Bidder shall deposit, along with its Bid, a Bid Security of Rs. 1 (One) Crore by way of online payment / physical Bank Guarantee (BG) / e-BG (e-Bank Guarantee) through the E-Procurement Portal, on the Tamil Nadu Government e-Procurement portal.

10.2. In the event of encashment of EMD, the encashed amount shall include all applicable taxes. Physical copy of the BG in original shall be submitted at CE/NCES office before the due date and time of opening of Techno Commercial Bid. If the physical copy of the BG is not submitted within the time specified or if the submitted BG is found invalid, or if there is a discrepancy between the physical BG and scan copy of the BG, then the bid shall be deemed invalid.

10.3. No relaxation of any kind on Bid Security shall be given to any Bidder.

10.4. The lien on the Bid Security of unsuccessful Bidders will be removed by the Authority, without any interest, as promptly as possible on acceptance of the Bid of the Successful Bidder or when the Bidding Process is cancelled by the Authority, and in any case within 60 (sixty) days from the expiry of the Bid Validity period.

10.5. The Successful Bidder's Bid Security will be returned, without any interest, upon the Selected Bidder furnishing the Performance Bank Guarantee in accordance with Clause 11 of this RfS.

10.6. The Bid Security shall be encashed by TNGECL in following cases:

i. If the Bidder withdraws or varies the bid after due date and time of bid submission and during the validity of bid;

ii. In case, TNGECL offers to execute the PPA with the Selected Bidder and if the Selected Bidder does not submit the requisite documents as per Clause 24 of the RfS

iii. If after issuance of LoA, it is found that the documents furnished by the Bidder as part of response to RfS are misleading or misrepresented in any way;

iv. If the Bidder fails to furnish required PBG in accordance with Clause 11 of the RfS.

Bids submitted without Bid Security (including partial submission), will be summarily rejected by TNGECL.

11. Performance Bank Guarantee (PBG)

11.1. The determination of Net Worth shall be based on the audited annual accounts by deducting the aggregate value of all the liabilities from the aggregate value of all the assets. The net worth to be considered for the above purpose will be the cumulative net-worth of the bidding company or consortium, together with the net- worth of those Affiliates of the bidder(s) that undertake to contribute the required equity funding and performance bank guarantees in case the bidder(s) fail to do so in accordance with the RfS document.

24.2. Liquidity Criteria

In order to ascertain that the Bidder has sufficient means to manage the fund requirements for the Project, the Bidder shall be required to demonstrate below criteria

The Bidder shall have a minimum annual turnover of INR 30 (Thirty) Crores for the previous three financial years. It is hereby clarified that "Other Income" as indicated in the annual accounts of the Bidder shall not be considered for arriving at the annual turnover.

24.3. In case of the Bidder being a Bidding Consortium, any Member may seek qualification on the basis of financial capability of its Affiliate(s). In such cases, the Bidder shall be required to submit Board Resolutions from the respective Affiliate(s), in case Bidder being a Company, undertaking to contribute the required equity funding and performance bank guarantees in case the Bidder(s) fail to do so in accordance with the RfS. In case of non-availability of the Board Resolution as required above, a letter from the CEO/Managing Director of the respective Affiliate(s), undertaking the above, shall be required to be submitted and the requisite Board Resolution from the Affiliate(s) shall be required to be submitted prior to signing of PPA.

24.4. The Bidder may seek qualification on the basis of financial capability of its Affiliate(s) for the purpose of meeting the qualification requirements as per Section 4. In case of the Bidder being a Bidding Consortium, any Member may seek qualification on the basis of financial capability of its Affiliate(s). In such cases, the Bidder shall be required to submit Board Resolutions from the respective Affiliate(s), undertaking to contribute the required equity funding and Performance Bank Guarantees in case the Bidder(s) fail to do so in accordance with the RfS. In case of non-availability of the Board Resolution as required above, a letter from the CEO/ Managing Director of the respective Affiliate(s), undertaking the above, shall be required to be submitted and the requisite Board Resolution from the Affiliate(s) shall be required to be submitted prior to signing of PPA.

24.5. For the purposes of meeting financial requirements, only latest unconsolidated audited annual accounts shall be used. However, audited consolidated annual accounts of the Bidder may be used for the purpose of financial requirements provided the Bidder has at least twenty six percent (26%) equity in each Company whose accounts are merged in the audited consolidated account.

24.6. A Company/Consortium would be required to submit annual audited accounts for the previous three financial years, along with net worth, annual turnover and PBDIT certificate (as applicable) from a practicing Chartered Accountant/ Statutory Auditor to demonstrate fulfilment of the criteria. In case of foreign companies, the Bidders shall be required to submit the annual audited accounts as per the general norm in the country where the Bidder or its Affiliate(s) is/ are located, or provisional accounts as on the day at least 7 days prior to the bid submission deadline.

24.7. In case Final Audited Annual Accounts for the last financial year are not available, then TNGECL shall accept the Provisional Accounts, which are duly certified by a practicing Chartered Accountant of India and at least two directors or one director and the company secretary. Provided that an undertaking signed by at least two directors, or one director and the company secretary is submitted by the bidder confirming that Final Audited Annual Accounts for the last financial year are not available as on date of bid submission.

24.8. For the limited purpose of meeting the technical and financial eligibility criteria, in addition to using credentials of the Affiliates having more than 50% shareholding in the Bidding Company, the Bidder may use credentials of those Affiliates who do not control more than 50% of the bidding company, subject to the following:

24.9. The qualification criteria parameters will be met proportionately to the equity contribution of the entity whose credentials are being used to meet the requirement. For example, in case of Net Worth requirement being Rs.100 Crore and the strength of an Affiliate is used which owns 30% of the total shareholding in the bidder, the said Affiliate should be able to meet upto Rs.30 Crore of the Net Worth.

24.10. In case the strength of an Affiliate is being used for meeting the eligibility criteria, shareholding pattern of the respective Affiliate will be locked-in upto COD of the Project.

24.11. The UDIN should be mentioned in the chartered accountant certificate and audited statement of annual accounts to be uploaded as documentary evidence to comply the financial criteria.

THE OFFERS OF BIDDERS NOT SATISFYING THE ABOVE BID QUALIFICATION REQUIREMENTS WILL BE SUMMARILY REJECTED.

SECTION V- Bid Evaluation

Bid evaluation will be carried out considering the information furnished by Bidders as per provisions of this RfS. The detailed evaluation procedure and selection of bidders are described in subsequent clauses in this Section. The tender will be evaluated strictly as per the Tamil Nadu Transparency in Tenders Act, 1998 and the Tamil Nadu Transparency in Tender Rules, 2000 and its subsequent amendments till date.

25. Techno-Commercial

25.1. The first envelope (Technical Bid submitted online) of only those bidders will be opened by TNGECL whose required documents as mentioned at Clause 15 of the RfS are received by TNGECL. In case of the above deadline being a holiday, the bids will be opened on the next working day.

25.2. Subject to Clause 15 of the RfS, TNGECL will examine all the documents submitted by the Bidders and ascertain meeting of eligibility conditions prescribed in Clause 23 and Clause 24 of this RfS. During the examination of the bids, TNGECL may seek clarifications/additional documents to the documents submitted etc. from the Bidders if required to satisfy themselves for meeting the eligibility conditions by the Bidders. Bidders shall be required to respond to any clarifications/additional documents sought by TNGECL within 07 (seven) days from the date of such intimation from TNGECL. All correspondence in this regard shall be made through email only. It shall be the responsibility of the Bidder to ensure that the email id of the authorized signatory of the Bidder is functional. The Bidder may provide an additional email id of the authorized signatory in the covering letter. No reminders in this case shall be sent. It shall be the sole responsibility of the Bidders to remove all the discrepancies and furnish additional documents as requested. TNGECL shall not be responsible for rejection of any bid on account of the above.

25.3. The response to RfS submitted by the Bidder shall be scrutinized to establish Techno-Commercial eligibility as per Clause 23 and Clause 24 of the RfS.

26. Financial Bid

26.1. Second Envelope (containing the first round Tariff) of only those bidders shall be opened whose technical bids are found to be qualified as per the RfS.

26.2. In this step evaluations of Techno-Commercially Qualified Bids shall be done based on the "Tariff", quoted by the Bidder in the Electronic Form of Financial Bid. The 'Tariff' shall be quoted in Rs./kWh for the entire term of the PPA. The tariff has to be quoted in Indian Rupee per kWh up to two places of decimal only. If it is quoted with more than two digits after decimal, digits after first two decimal places shall be ignored.

26.3. Based on the first round Tariff quoted by the bidders, TNGECL shall arrange the bids in the ascending order i.e., L1, L2, L3, etc. (L1 being the lowest quote). These Bidders shall be eligible for the reverse auction round.

26.4. If the first-round tariff quoted is same for two or more Bidders, then all the Bidders with same tariff shall be considered of equal rank/ standing in the order.

26.5. All Bidders with same tariff shall be eligible for reverse auction round.

An illustrative example of ranking methodology is given below-

Bidder	Submitted Financial Bid	Ranking
B2	₹2.54/kWh	L1
B5	₹2.60/kWh	L2
B1	₹2.75/kWh	L3
B8	₹2.75/kWh	L3
B3	₹3.20/kWh	L4
B7	₹3.50/kWh	L5
B6	₹3.82/kWh	L6
B4	₹3.91/kWh	L7

27. E-Reverse Auction

27.1. The reverse auction shall be conducted through https://tntenders.gov.in/nicgep/app portal on the day as intimated by TNGECL to the eligible bidders.

27.2. At least 24 hours prior to reverse auction, an advance intimation regarding the date and time of the reverse auction will be sent by e-mail to all the bidders whose technical bids have been opened and found to be qualified. However, from this advance intimation it shall not be construed by the bidders that they have been shortlisted for Reverse Auction. Further, at least 24 hours before the schedule start time of Reverse Auction, a system generated email for invitation for Reverse Auction will be sent to all those bidders only who have been shortlisted based on the above criteria.

27.3. Shortlisted bidders for Reverse Auction will be able to login into the TNTENDERS Portal website of reverse auction on the day of start time of reverse auction.

i. During the 15 minutes prior to start of reverse auction process, the respective tariff of the bidder shall be displayed on its window.

ii. The minimum decrement value for tariff shall be INR 0.01 per kWh. The Bidder can mention its revised discounted tariff which has to be at least 01 (One) Paisa less than its current tariff.

iii. Bidders can only quote any value lower than their previous quoted tariff taking into consideration the minimum decrement value mentioned in the previous clause. However, at any stage, increase in tariff will not be permissible. Bidders can improve their ranking by quoting the tariff lower than their last quoted tariff.

iv. In the bidder's bidding window, the following information can be viewed by the bidder:

   a. The initial start price and there after last quoted tariff.
   b. The list of all the Bidders with their following details: Pseudo Identity, last quoted tariff and project capacity

v. The initial auction period will be of 2 hour with a provision of auto extension by 10 (ten) minutes from the scheduled/ extended closing time. If no such change as described above is effected during the last 10 minutes of auction

period or extended auction period, then the reverse auction process will automatically get closed.

27.4. All the short listed bidders have to participate in the e-reverse auction or else, TNGECL reserves the right to take further action as deemed fit.

28. Selection of Successful Bidder

28.1. The Ranking of the bidders will start from the Bidder quoting the lowest Tariff after the reverse auction. Bidder quoting the lowest Fixed Tariff for 25 years shall be declared as the Successful Bidder.

28.2. In case of a tie among two or more Bidders (i.e. their last quoted tariff being the same at the end of the e-RA), they will be considered in the chronological order of their last bid with preference to that Bidder who has quoted his last bid earlier than others.

28.3. In the above case, if the time of quote also becomes exactly same among the Bidders at a tie, then the ranking among these Bidders shall be done as follows:

i. Step 1: Lowest rank will be given to the Bidder who has quoted the lowest in Financial Bid (Electronic Form) and so on. If there is also a tie among any of these bidders, then the following step (Step 2) will be followed.

ii. Step 2: Ranking will be done based on draw of lots.

28.4. TNGECL, in its own discretion, has the right to reject any one or all Bids if the Single Quoted Tariff after reverse auction is not aligned to the prevailing market prices.

28.5. In all cases, TNGECL decision regarding selection of Bidder through Reverse Auction or other- wise based on tariff or annulment of tender process shall be final and binding on all participating bidders.

29. Letter of Award

29.1. After the selection process, a Letter of Award (LoA) will be issued to the Successful Bidder for the Project subject to the approval of Hon'ble TNERC. In case of a Consortium being selected as the Successful Bidder, the LoA shall be issued to the Lead Member of the Consortium.

29.2. The Successful Bidder shall unconditionally accept the LoA, and record on one (1) copy of the LoA, "Accepted Unconditionally", under the signature of the authorized signatory of the Successful Bidder and return such copy to TNGECL within seven (7) days of issue of LoA.

29.3. TNGECL reserves the right to annul the bid process without any financial implications to any of the parties concerned.

29.4. In all cases, TNGECL's decision regarding selection of Bidder through Reverse Auction or other- wise based on tariff or annulment of tender process shall be final and binding on all participating bidders.

29.5. The PPA signing date shall be within 60 days from the date of issuance of LoA or any other extended date as mutually agreed between TNGECL and the successful bidders. Otherwise, the awarded capacity shall stand cancelled.

29.6. Adoption of tariff identified through this tender is subjected to approval of Hon'ble TNERC.

Service Provider: **National Informatics Centre**

INSTRUCTION TO BIDDERS FOR SUBMISSION OF ONLINE BIDS REVERSE BIDDING IN'E-TENDER'

Bidders are requested to read these instructions and terms & conditions before submitting their online tenders.

INSTRUCTIONS FOR ONLINE BID SUBMISSION:

The Bidders are required to submit soft copies of their Bids electronically on the Tamilnadu Government E-Procurement Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the Bidders in registering on the TAMILNADU GOVERNMENT E-PROCUREMENT Portal, prepare their Bids in accordance with the requirements and submitting their Bids online on the Tamilnadu Government E Procurement Portal.

More useful information for submitting online Bids on the Tamilnadu Government E-Procurement Portal may be obtained at: https://tntenders.gov.in/nicgep/app

A. REGISTRATION:
Bidders are required to enrol on the e-Procurement module of the Tamil Nadu Government E-procurement Portal (URL: https://tntenders.gov.in/nicgep/app)

(i) By clicking on the link "Online Bidder Enrolment" on the Tamilnadu Government E -Procurement Portal which is free of charge.
(ii) As part of the enrolment process, the Bidders will be required to choose a unique username and assign a password for their accounts.
(iii) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the Tamilnadu E Procurement Portal.
(iv) Upon enrolment, the Bidders will be required to register their valid Digital Signature Certificate (DSC) (Class II or Class III Certificates with signing key usage)issued by any Certifying Authority recognized by CCA India(e.g.Sify / nCode /e Mudhra, etc.), with their profile.
(v) Only one valid DSC should be registered by a Bidder. Please note that the Bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
(vi) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC /e-Token.

B. SEARCHING FOR TENDER DOCUMENTS:

(i) There are various search options built-in the Tamilnadu Government E-Procurement Portal, to facilitate Bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the Bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the TAMILNADU GOVERNMENT E-PROCUREMENT Portal.

(ii) Once the Bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the TAMILNADU GOVERNMENT E- PROCUREMENT Portal to intimate the Bidders through SMS / e- mail in case there is any corrigendum issued to the tender document.

(iii) The Bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/ help from the Helpdesk.

C. PREPARATION OF BIDS:

(i) Bidder should consider any corrigendum published on the tender document before submitting their Bids.

(ii) Please go through the Bid document carefully to understand documents required to be submitted as part of the Bid. Any deviations from these may lead to rejection of the Bid.

(iii) Bidder, in advance, should get ready the Bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with Black and White option which helps in reducing size of the scanned document.

(iv) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every Bid, a provision of uploading such standard documents (e.g. PAN card copy, Annual Reports, Auditor Certificates etc.) has been made to the Bidders. Bidders can use "My Space" or "Other Important Documents'' area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a Bid and need not be uploaded again and again. This will lead to a reduction in the time required for Bid submission process.

D. **ELECTRONIC SUBMISSION OF BIDS:**

The Bidder shall submit online, the requirements under qualification criteria and

techno-commercial documents required and SCHEDULE OF PRICE/BOQ. All the documents are required to be signed digitally by the Bidder. After electronic online Bid submission, the system generates a unique Bid reference number which is time stamped. This shall be treated as acknowledgement of Bid submission.

E. PROCEDURE FOR SUBMISSION OF BIDS:

i) Bidder should log-in to the site well in advance for Bid submission so that they can upload the Bid in time i.e. on or before the Bid submission time. Bidder will be responsible for any delay due to other issues.
ii) The Bidder has to digitally sign and upload the required Bid documents one by one as indicated in the Bid document.
iii) Bidder should submit the Bid Security as per the instructions specified in the Bid document.
iv) Bidders are requested to note that they should necessarily submit their price Bids in the format provided and no other format is acceptable. If the price Bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by the Bidder. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the Bidder etc). No other cells should be changed. Once the details have been completed, the Bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the Bidder, the Bid will be rejected.
v) The server time (which is displayed on the Bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the Bids by the Bidders, opening of Bids etc. The Bidders should follow this time during Bid submission.
vi) All the documents being submitted by the Bidders would be encrypted to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of Bid opening. The confidentiality of the Bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any Bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further, this key is subjected to asymmetric encryption using buyers/Bid openers public keys.
vii) The uploaded Bid documents become readable only after the tender opening by the authorized Bid openers
viii) Upon the successful and timely submission of Bid (i.e., after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful Bid submission message & a Bid summary will be displayed with the Bid no. and the date & time of submission of the Bid with all other relevant details.
ix) The Bid summary has to be printed and kept as an acknowledgement of the submission of the Bid. This acknowledgement may be used as an entry pass for any Bid opening meetings.
x) In all cases, Bidders should use their own ID and Password along with Digital Signature certificate at the time of submission of their Bid.

xi) During the entire e-tender process, the Bidders will remain completely anonymous to one another and also to everybody else.

xii) The e-tender floor shall remain open from the pre-announced date & time till the specified due date & time.

xiii) The electronic Bid submitted during the e-tender process shall be legally binding on the Bidder. Any Bid will be considered as valid only if it is submitted in the prescribed format given in the Bid document.

xiv) It is mandatory that all the Bids are submitted with digital signature certificate otherwise the same will not be accepted by the system.

xv) TNGECL reserves the right to cancel or reject or accept or withdraw or extend the due date for submission of Bid as the case may be without assigning any reason thereof.

xvi) The server time shall be treated as final and binding. Bids recorded in the server before the Bid closing time will only be treated as valid Bid. Bidders are, therefore, advised to submit their Bids well before the closing time of e-tender. If any Bid reaches the server after the Bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained. The Tender Inviting Authority (TIA) is not responsible for any sort of delay or the difficulties faced during the submission of Bids online by the Bidders due to local issues.

xvii) Bidders are advised to exercise caution in submitting their Bids in e-tender and e-reverse Bidding, as the case may be, to avoid any mistake. Bids once submitted can't be recalled.

xviii) Any order resulting from this Bidding process shall be governed by the terms and conditions mentioned in the Bid Documents.

xix) No deviation to the technical and commercial terms & conditions are acceptable.

xx) Bidders are required to sign in each page of the Bid specification.

E. ASSISTANCE TO BIDDERS:

i) Any queries relating to the Bid document and the terms and conditions contained therein should be addressed to the Inviting Authority for the Bid or the relevant contact person indicated in the Bid document.

ii) All queries relating to the process of online Bid submission or queries relating to Tamilnadu Government E-Procurement Portal in general may be directed to the 24x7 Tamilnadu Government E-Procurement Portal Helpdesk.

F. System Configurations

The Bidder may note that the following configurations will be required to be undertaken in their Internet Explorer browsers for smooth functioning of the website and the e- Bidding portal.

The system requirements are as follows:

i) Windows 7 or above Operating System

ii) IE-7 and above Internet browser.
iii) Signing type digital signature Latest updated JRE 8 (x86 Offline) software to be downloaded and installed in the

To enable ALL active X controls and disable 'use pop up blocker' under Tools→Internet Options→ custom level (Please run IE settings once)
Tenderers are instructed to furnish the Hard copies of required Documents(if required) as mentioned in the tender specification. The Hard copy furnished shall be the same as available in the NIC portal and the soft copy uploaded in the Portal will alone be considered if any discrepancies arise.

The Bidders shall also note that online submission of the Bid with supporting documents and submission of the hard copies of the documents shall be allowed only up to closing time of online Bid submission. Bidders in their own interest are advised to complete the entire process well in advance to avoid any last-minute hiccup / technical problems. No complaints shall be entertained in this regard at any stage.

Stage II : E- Reverse Bidding

Bidder has to quote the price in accordance with the RFS. Bid prices shall be evaluated on the basis of the lowest quoted total price which shall be the "Opening Price" for Reverse Bidding.

After opening of the Bid, the Bidders who shall become eligible to participate in the Reverse Bidding as per the conditions stated in this Document shall be known as the Qualified Bidders who will be intimated about their qualification through notification on the (https://tntenders.gov.in/nicgep/app) website within their secured login as well as a system generated email. It shall be the sole responsibility of the Bidder to regularly check the (https://tntenders.gov.in/nicgep/app) website and log in to see whether it has qualified or not. TNGECL will not be responsible for non-receipt of email by the Bidder and its consequences.

E-Bidding is the process of inviting binding final price offers from the Qualified Bidders through internet for the purpose of determination of the Successful Bidder (i.e the Bidder who submits the lowest price Bid in the Reverse Bidding. During Reverse Bidding process, Bidder can change its rates quoted in their initial price by a decrement of at least Rs0.01/ kWh (or its multiples) to reduce its price further. Such changes can be made any number of times within the Reverse Bidding period.

The Qualified Bidder will remain anonymous to other Qualified Bidders participating in the electronic Bidding process. The Qualified Bidder will be able to see the prevailing lowest price Bid, but the name of the current L1 Bidder at any point of time will not be displayed. The Qualified Bidder shall have to put its price Bid below the displayed current L1 Bid by a decrement as above to become the L1 Bidder. After completion of the Reverse Bidding Process, the lowest rate quoted i.e. arrived shall be the Closing Price ("Closing Price") and the Bidder quoting the same, shall be considered as the L1 Bidder ("L1 Bidder").

The electronic Bidding process will have a scheduled start and close time which will be displayed on screen. A Qualified Bidder will be able to put its price Bid after the start of Bid time and till the close time of electronic Bidding. The current server time (IST) will also be displayed on the screen. In the event a Bid is received during the last 10 (ten) minutes before the scheduled close time of electronic Bidding the close time of electronic Bidding will be automatically extended by 10 minutes from the closing time to give equal opportunity to all other Qualified Bidders. This process of auto extension will continue by a period of 15 minutes till no price Bids are received in 15 minutes.

For example, assuming that the initial scheduled close time for a particular electronic Bidding is 1:00 pm and a price Bid is received at 12:55 pm, the scheduled close time shall be revised to 1:10 pm. Again, if a price Bid is received at 1:09 pm, the scheduled close time shall be revised to 1:20 pm and so on. In the event that there is no further price Bid is received till 1:20 pm, the electronic Bidding will close at 1:20 pm. The revised close time will be displayed on screen and the Qualified Bidders should keep refreshing its webpage to get the latest information.

The above example is only illustrative and meant for guidance only. During the tender process for electronic Bidding the Bidder shall be required to sign their Bids with their respective digital signature certificate (DSC) which has been used to login. Any digital signature certificate other than the above shall not be acceptable for Bid submission by the system.

Bidders in their own interest are advised to get themselves acquainted with the electronic Reverse Bidding process of (https://tntenders.gov.in/nicgep/app) by getting their Authorized Representative trained beforehand through some demo electronic –Reverse Bidding schedule of which will be declared later in the (https://tntenders.gov.in/nicgep/app) website.

About Digital Signature Certificate

A Bidder shall be required to possess a valid Digital Signature Certificate (DSC) of signing type to be able to submit its Bid and to participate in the electronic Reverse Bidding on (https://tntenders.gov.in/nicgep/app)website. For this purpose, Bidders shall be required to authorize its Authorized Signatory to procure a Class-III DSC of signing type from any Certifying Authority or their authorized agencies in India.

The Bidder may note that only one user id will be mapped with a given DSC for the Authorized Representative. DSC once mapped with a particular user id of a Bidder will normally not be changed and therefore Bidders are advised to carefully select the DSC before forwarding the same to NIC for mapping.

The Digital Signature Certificate will be used to digitally sign the Bids that the Bidder will submit online.

It will be the sole responsibility of the Bidder and its respective Authorized Representative to maintain the secrecy of the password for the Digital Signature Certificate. The Bidder and its contact person shall be solely responsible for any misuse of the DSC and no complaint / representation in this regard shall be entertained at any stage by TNGECL.

Terms and Conditions for E-Reverse Bidding

i) After completion of the online E-Reverse Bidding, the “Closing Price (CP)” shall be available for further processing.
ii) If no Bid or single Bid is received in the Bidding system/website within the specified time duration of the online E-Reverse Bidding, then TNGECL may scrap the online Reverse Bidding process and may proceed with the lowest Price Bid received through e-tendering for further processing.
iii) Only those Bidders whose offers are found to be Technically and Commercially Responsive, shall be eligible to participate in E-Reverse Bidding process.

iv) Online Reverse Bidding shall be conducted by TNGECL on a pre-specified date and time, while the Bidders shall be quoting from their own offices/place of their choice. Internet connectivity shall have to be ensured by Bidders themselves.

v) During the Reverse Bidding, time extension of additional 15 minutes may be given by TNGECL at its sole discretion, if no Bid is received till that time.

vi) To ward-off contingent situation, Bidders are requested to make all the necessary arrangements/alternatives whatever required so that they are able to circumvent such situation and still be able to participate in the Reverse Bidding successfully. Failure of power or loss of connectivity at the premises of Bidders during the Reverse Bidding cannot be the cause for not participating in the Reverse Bidding TNGECL shall not be responsible for such eventualities.

vii) Bidders are advised to get fully trained and clear all their doubts such as refreshing of Screen, tender value being Bid, Bidding rules etc.

viii) Upon receipt of the system report after completion of the Online Reverse Bidding Closing Price will be considered for further processing. TNGECL's decision on award of contract shall be final and binding on all the Bidders.

ix) TNGECL reserves the right to cancel/reschedule/extend the Reverse Bidding process/tender at any time, before ordering, without assigning any reason.

x) TNGECL shall not have any liability to Bidders for any interruption or delay in access to the site irrespective of the cause. In such cases, the decision of TNGECL shall be binding on the Bidders.

xi) Other terms and conditions shall be as per TNGECL's Bidding documents and other correspondences, if any, till date.

xii) Bidders are required to submit their acceptance to the stipulated terms and conditions before participating in the Reverse Bidding

xiii) For the Reverse Bidding technically and commercially acceptable Bidders only shall be eligible to participate.

xiv) Bidders shall ensure online submission of their 'Bid Price' within the Bidding Period.

xv) Rules for Reverse Bidding like event date, time, Bid decrement, extension etc. shall be as per the business rules, enumerated above, for compliance.

xvi) If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other Bidders, action as per extant TNGECL guidelines, shall be initiated by TNGECL.

xvii) The Bidder shall not divulge either his Bids or any other exclusive details of TNGECL to any other Bidder.

xviii) Period of validity of Prices received through Reverse Bidding shall be same as that of the period of validity of Bids offered.

xix) Bidders may note that, although extension time is 10 minutes, there is a time lag between the actual placing the Bid on the local computer of the Bidder and the refreshing of the data on to the server for the visibility to the TNGECL. Considering the processing time for data exchange and the possible network congestion, Bidders must avoid the last-minute hosting of the Price Bid.

xx) Participating Bidder will agree to non-disclosure of trade information regarding the purchase, identity of TANGECL, Bid process, Bid technology, Bid documentation and Bid details.

xxi) It is brought to the attention of the Bidders that the Bid event will lead to the final price only.

xxii) Technical and other non-commercial queries (not impacting price) can only be routed to the TNGECL contact personnel indicated in the Bidding documents.

xxiii) Order finalization and post order activities would be transacted directly between Successful Bidder and TNGECL.

xxiv) Order shall be placed outside the e-portal & further processing of the order shall also be outside the system.

xxv) In case of any problem faced by the Bidder during Reverse Bidding and for all Bidding process related queries, Bidders are advised to contact the persons indicated in the Bid document.

xxvi) TNGECL will not be responsible for any PC configuration/Java related issues, software/hardware related issues, telephone line glitches and breakdown/slow speed in internet connection of PC at Bidder's end.

xxvii) Bidders may note that it may not be possible to extend any help, during Reverse Bidding, over phone or in person in relation to rectification of PC/Internet/Java related issues and Bidder may lose the chance of participation in the Bidding.

xxviii) For access to the Bidding site, the following URL is to be used:(https://tntenders.gov.in/nicgep/app).

xxix) For user guidance please follow the manual which is there in the website.

xxx) No queries shall be entertained while Reverse Bidding is in progress.

xxxi) In case user ID is locked, it is requested to call helpdesk at (https://tntenders.gov.in/nicgep/app)
